[Available Oaxaca City Activities]

Our Oaxaca City adventure has over 30 activities for you to choose from. Here are some of the examples you can look forward to!

Adventure:

Biking in the Countryside - Enjoy the beauty of the fresh countryside of Oaxaca City taking breaks to enjoy delicious meals and drinks, all while learning about the rich and exciting history of its people.

Exploring the City of Oaxaca by Bike - Our guided tour will take you through city streets, exploring the fantastic art and architecture Oaxaca City has to offer while we learn about the culture, customs, and cuisine.

Flying Through The Air - Ziplining through the amazing mountains and forests of Oaxaca takes you closer to the beautiful flora and fauna it has to offer!

Hierve El Agua - Behold the stunning beauty of the petrified waterfalls of Hierve el Agua formed thousands of years ago by the runoff of calcium carbonated water. A unique place where you can walk on impressive rock formations and even swim in the natural spring fed pools.

Hiking in the Cloud Forest in Sierra Norte - Visit the highlands of Oaxaca in Sierra Norte, the 'Cloud Forest' with views you cannot miss. Explore the lifestyles of the indigenous Mountain Valley, 3,200 meters above sea level. Fall in love with local flora and fauna like trees, agave, wildflowers, and breathtaking birds. Walking through a stunning forest, climbing on tall rock walls, walking over extended ridges. Hike 4.5 miles, recommended good hiking shoes. Enjoy a yummy lunch with the village people where you dine on mountaintop cuisine.

[Available Oaxaca City Activities]

Culture:

Exploring Creativity Through Ink Engraving - This course is aimed at people who want to learn about the technique of engraving and graphics, so all that is required is your enthusiasm for this art and excitement to learn!

Oaxacan Architecture - Oaxacan architecture has many hidden secrets and you will have a chance to discover them; You will see architectural examples of Colonial, Baroque, Porfirio, Art Deco, and more!

Making Beautiful Oaxacan Embroidery - Embroider your own fabric using techniques taught by artisans and frame it at home as a reminder of your beautiful experience

Mexican Women Entrepreneurs (Our Favorite) - Visit exclusively run and operated industries that were traditionally run by men and have successfully been taken over by women. Learn the history of resistance through their creation of the famous alebrijes carvings and have the opportunity to paint your own as a takeaway. You will visit a family of sisters in a women's booming business, witness their skill, and purchase their incredibly beautiful products. Then, you will observe a workshop where women handcraft gold and silver leaf to restore temples across the country

Spirituality:

Traditional Mexican Medicine Workshop - observe and learn the history of traditional medicine in the form of herbal teas, massages for specific body parts, and remedies for illnesses like sore throats.

Cuisine:

Mezcal and Mole - You'll have the opportunity to experience the diversity of different Mezcales and explore a variety of seven mole flavors, all curated and carefully crafted by a cuisine professional.

Pre-Hispanic Cooking Class - Learn about the most praised mole recipes in the city, visit the producers and try their menus. Then get a chance to learn some recipes to take home for yourself!

Art and Cocoa in Oaxaca - Make a print from a woodcut block with the help of a local artist and bring it home! Then a cacao tasting with explanations of the Oaxacan tradition of production of cacao's and its uses in the community, with an organic and sustainable project in the center.

Ethnic Mixology Course Using Organic Mezcal - Talk about the history of mixology, its evolution and the new trend of reinterpreting the drinks in our communities. The workshop will stimulate your imagination and teach you all the possibilities of making a mixology drink with a beautiful presentation.

Tasting Seven Moles - Experience flavors you have never had before, with ingredients that you find in Oaxaca state that are unique and unforgettable in all of Mexico and the world.

Pairing of Organic Chocolate and Mezcal - In this experience, you will quickly learn about the biodiversity of agaves, cocoa and flower plants, as well as the rules of combining flavors in an unbeatable way so that you can create it anywhere in the world together with your loved ones.

Mezcal Tasting with an Anthropological View - Discover the beautiful stories that each mezcal has to tell, and the relationship that every producer has with their land and the biodiversity that surrounds them.
